INDEPENDENT AUDITOR'S REPORT

Mayor and Board of Aldermen
City of Sparta, Tennessee
Sparta, Tennessee

Report on the Financial Statements

I have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, the aggregate remaining fund information, and the respective budgetary comparison for the General fund and each major fund of the City of Sparta, Tennessee, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of

significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, the aggregate remaining fund information, and the respective budgetary comparison for the General fund and each major fund of the City of Sparta, Tennessee as of June 30, 2021, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the schedules of changes in net pension liability (asset) and related ratios and contributions based on participation in the public employee pension plan of TCRS on pages 11 through 19 and page 64 through 66, respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Sparta, Tennessee's basic financial statements. The information presented as the "Introductory Section," "Supplementary Information," and "Other Financial Information" in the table of contents, is presented for purposes of additional analysis and are not a required part of the basic financial statements.

The information described as “Supplementary Information” in the table of contents is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information described as “Supplementary Information” is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The information described as the “Introductory Section” and the “Other Financial Information” in the table of contents has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, I do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report date February 14, 2022, on my consideration of the City of Sparta, Tennessee’s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report solely is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Sparta, Tennessee’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Sparta, Tennessee’s internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the City of Sparta, Tennessee we offer readers of the City of Sparta, Tennessee's financial statements this narrative overview and analysis of the financial activities of the City of Sparta for the fiscal year ended June 30, 2021. We encourage readers to consider the information presented in conjunction with additional information that we have furnished in the basic financial statements and the accompanying notes to those financial statements. All amounts, unless otherwise indicated, are expressed in actual dollars.

FINANCIAL HIGHLIGHTS

Management believes the City of Sparta's financial condition is adequate and improving. The City follows the financial policies and guidelines set by the Board and management. The following are key financial highlights.

The assets and deferred outflows of the City of Sparta exceeded liabilities and deferred inflows at the close of the most recent fiscal year by \$52,733,019. Of this amount, \$21,318,474 (unrestricted net position) may be used to meet the government's ongoing obligation to citizens and creditors.

At June 30, 2021 the City's governmental funds reported combined ending fund balances of \$10,365,604, an increase of \$1,257,810 in comparison with the prior year. \$9,284,365 is available for spending at the government's discretion (unassigned fund balance).

At June 30, 2021 unassigned fund balance for the General Fund was \$9,284,365 or 237.52% of total general fund expenditures.

The City's total debt decreased by a net \$758,536 during the year ended June 30, 2021. Of this amount, general long-term debt decreased by net \$236,132; water and sewer long-term debt decreased by \$522,404.

The City's total net position increased by \$5,313,922 during the year ended June 30, 2021.

OVERVIEW OF THE FINANCIAL STATEMENTS

Management's Discussion and Analysis (MD&A) serves as an introduction to, and should be read in conjunction with, the financial statements and supplementary information. The MD&A represents management's examination and analysis of the city's financial condition and activities. Summary financial statement data, key financial and operational indicators, budget and other management tools were used for this analysis. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains "Required Supplementary Information" and other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The *Statement of Net Position* presents the financial position of the City on a full accrual, historical cost basis. The statement of net position provides information on all the City's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *Statement of Activities* presents information showing how the government's net assets changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave.)

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include general government, public safety, highways and streets, drug enforcement, parks and recreation, airport, economic development and sanitation services. The business-type activities of the City include the operations of the electric, water and sewer facilities.

The government-wide financial statements can be found on pages 21-22 of this report.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into two categories: governmental funds and proprietary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The City maintains nine individual governmental funds. Eight of these governmental funds are classified as nonmajor and are summarized under the heading "Other Governmental Funds" in the governmental fund presentation. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund which is considered to be a major fund, as well as nonmajor governmental funds, all of which are combined into a single, aggregated presentation. Individual fund data for each of the nonmajor funds is provided in the form of combining statements elsewhere in this report.

The City adopts an annual appropriations budget for its general fund and all nonmajor funds. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on pages 23-28 of this report.

Proprietary funds. The City maintains two types of proprietary funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The City uses enterprise funds to account for its Electric, Water and Sewer activities.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide information for the Electric, Water and Sewer activities of the City, which are considered to be major funds.

The basic proprietary fund financial statements can be found on pages 29-32 of this report.

Notes to the financial statements. The notes to the financial statements provide required disclosures and other information that are essential to a full understanding of material data provided in the government-wide and fund financial statements. The notes present information about the City's accounting policies, significant account balances and activities, material risks, obligations, commitments, contingencies and subsequent events, if any. The notes to the financial statements can be found on pages 35-62 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain "required supplementary information" concerning the City's general fund budget and the City's progress in funding its obligation to provide pension benefits to its employees. Required supplementary information can be found on pages 33-34 and 64-66 of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City of Sparta, assets exceeded liabilities by \$52,733,019 at the close of the most recent fiscal year.

By far the largest portion of the City's net position (59%) reflects its investment in capital assets (e.g., land, buildings, machinery, and equipment) less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to pay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

At year end .93% of the City's net position represented resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position (\$21,318,474) may be used to meet the government's ongoing obligations to citizens and creditors.

At June 30, 2021, the City is able to report positive balances in all three categories of net position, both for the government as a whole, as well as for its separate governmental and business-type activities. The City's overall financial position improved during fiscal year 2021.

The national economic upturn increased revenues, particularly sales taxes funding basic services. The City's government activities rely heavily on sales tax. Revenue met the budget projections for 2020 and 2021. And operating expenses have decreased slightly.

Business-type activities realized continuing benefits from cost of service and rate design "phase-in" programs.

2021 Governmental Revenues

2020 Governmental Revenues

This graph shows the percentages of revenues collected for the governmental funds for the year ended June 30, 2021 and June 30, 2020. As discussed earlier, the City relies heavily on local taxes, such as sales tax. Capital contributions increased by \$606,391.

Governmental activities. Governmental activities increased the City of Sparta's net position by \$2,705,040, which accounts for 51.61% of the total growth in the net position of the City of Sparta in FY 2021. Key elements of this increase are as follows:

Decreases in expenses and increases in taxes and grant revenues resulted in an increase in net position in these funds for the year ended June 30, 2021.

Business-type activities. Business-type activities increased the City's net position by \$2,536,324 accounting for a 48.39% increase in the total growth in the government's net position. Key elements of the increase are as follows:

The program revenues for the Electric, Water and Sewer activities were \$2,254,361 more than the expenses of those services for the fiscal year ended June 30, 2021.

Financial Analysis of the Government's Funds:

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Business-type activities Revenues verses Expenses

Business-type activities are shown comparing cost to revenues generated by related services. Electric, water and sewer utilities are intended to be self-supporting with user charges and other revenues designed to recover costs. Sewer charges did not fully recover depreciation associated with the significant investment in capital assets for either year. Expenses decreased in 2021 by \$244,681, while revenues increased by \$434,767.

Governmental funds. The focus of the City's governmental funds is to provide information on near-term inflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unreserved fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$10,365,604 an increase of \$1,257,810 in comparison with the prior year. \$9,284,365 of this amount constitutes unassigned fund balance, which is available for spending at the government's discretion.

The general fund is the chief operating fund of the City. At the end of the current fiscal year, unassigned fund balance of the general fund was \$9,284,365. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 237.52% of total general fund expenditures, while total fund balance represents 238.05%.

The fund balance of the City's general fund increased by \$1,187,883 as a result of the current fiscal year operations.

Proprietary funds. The City's proprietary fund provides the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net position of the Electric, Water and Sewer funds at the end of the year amounted to \$10,870,058. The total increase in net position for the Electric, Water and Sewer funds were \$2,536,324. Other factors concerning the finances have been addressed in the discussion of the City's business-type activities.

General Fund Budgetary Highlights

Differences between the original budget and the final amended budget for expenses can be briefly summarized as follows:

	<u>Budget:</u>	<u>Increase to:</u>
General Fund 110	\$5,401,936	\$ 6,508,316
Street Aid Fund 121	151,250	166,250
Industrial Revenue Fund 123	58,630	83,630
Drug Fund 126	2,750	10,000
Debt Service Fund 212	922,065	926,103
Capital Projects Fund 311	700,000	1,250,000
Water/Sewer Fund 413	4,798,983	5,038,983

Capital Asset and Debt Administration

At the end of fiscal year 2021, the City had \$36,543,538 (net of accumulated depreciation) invested in a broad range of capital assets. This investment includes land and land improvements, buildings, utility system, equipment and infrastructure.

Major capital asset events during the current fiscal year included the following:

Purchase of additional various equipment and vehicles
Paving several miles of streets
Purchase of building for an extension of S. Carter Park

Additional information on the City's capital assets can be found in Note E on page 48 of this report.

The following tables summarize the City's capital assets for the year ended June 30, 2021. These changes are presented in detail in Note E to the financial statements.

	Governmental		Business-type		Total	
	<u>Activities</u>		<u>Activities</u>			
	<u>2021</u>	<u>2020</u>	<u>2021</u>	<u>2020</u>	<u>2021</u>	<u>2020</u>

Improvements, other than build	4,789,201	4,754,941	5,619,659	5,615,071	10,408,860	10,370,012
Infrastructure	3,798,352	2,755,843	-	-	3,798,352	2,755,843
Utility System			40,086,613	38,931,038	40,086,613	38,931,038
Equipment	5,326,202	5,084,540	3,990,673	3,592,514	9,316,875	8,677,054
Less: Accumulated Depreciation	(8,709,851)	(8,294,381)	(23,067,467)	(22,101,183)	(31,777,318)	(30,395,564)
Total	<u>\$ 9,501,411</u>	<u>\$ 8,384,156</u>	<u>\$ 26,969,570</u>	<u>\$ 26,444,921</u>	<u>\$ 36,470,981</u>	<u>\$ 34,829,077</u>

Long-term debt. At the end of the current fiscal year, the City had total bonded debt outstanding of \$5,525,693. All debt is backed by the full faith and credit of the government.

	Governmental Activities		Business-type Activities		Total		Total Change
	<u>2021</u>	<u>2020</u>	<u>2021</u>	<u>2020</u>	<u>2021</u>	<u>2020</u>	
General obligation bonds	\$ 377,385	\$ 613,517	\$ 332,859	\$ 656,920	\$ 710,244	\$ 1,270,437	\$ (560,193)
Revenue bonds	-	-	4,815,449	5,013,793	4,815,449	5,013,793	(198,344)
Total	<u>\$ 377,385</u>	<u>\$ 613,517</u>	<u>\$ 5,148,308</u>	<u>\$ 5,670,713</u>	<u>\$ 5,525,693</u>	<u>\$ 6,284,230</u>	<u>\$ (758,537)</u>

The City's total bonded debt decreased a net of \$758,537 during the current fiscal year. Of this amount, general obligation debt decreased by a net of \$236,132, while water and sewer bonded debt decreased by \$522,405.

Additional information on the City's long-term debt can be found in Note F, beginning on pages 49.

Economic Factors and Next Year's Budget and Rates

Factors considered in preparing the City's budget for the 2021 fiscal year include the following:

- The 2021 unemployment rate for Sparta and White County at June 30, 2021 was 8.60 %, compared to the State's rate of 9.6% and the national average unemployment rate of 11.10 %. This drastic change was due to the Covid-19 Pandemic.
- Sales tax revenues has consistently increased over the last year making revenue budget projections easier to rely on with the ever constant and growing expenses.
- Budgeting with a slight increase in taxes to be able to meet the demand of services provided by the City to the taxpayers will be a challenge.

At June 30, 2021 the unassigned fund balance in the general fund was \$9,284,365. The property tax rate was \$.9183 per \$100 of assessed value of property. Electric rates fluctuate monthly due to a monthly fuel cost adjustment from TVA.

CONTACTING THE CITY'S FINANCIAL MANAGEMENT

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the government's finances. Questions concerning any information provided in this report or requests for any additional information should be directed to the Office of the City Administrator, City of Sparta, Post Office Box 30, Sparta, Tennessee 38583.

CITY OF SPARTA, TENNESSEE
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TO THE STATEMENT OF NET POSITION
June 30, 2021

Total fund balances for governmental funds	\$ 10,365,604.07
--	------------------

Total net position reported for governmental activities in the statement of net position is different because:

Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds	9,501,410.57
--	--------------

Some of the City's taxes will be collected after year-end, but are not available soon enough to pay for the current period's expenditures, and therefore are reported as deferred revenue in the funds:

Property taxes	\$ 102,353.93	
State income taxes	4,364.80	106,718.73

Long-term liabilities applicable to the City's governmental activities are not due and payable in the current period and accordingly are not reported as fund liabilities. Balances at June 30, 2021 are as follows:

Bonds and notes payable	\$ (377,385.51)	
Accrued interest on bonds	(1,728.36)	
Compensated absences	(177,316.49)	(556,430.36)

Pension assets, including deferred inflows and outflows, are not due and payable in the current period and, therefore, are not reported in the funds.

	404,976.00

CITY OF SPARTA, TENNESSEE
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
For the year ended June 30, 2021

Net change in fund balance - total governmental funds	\$ 1,257,810.01
---	-----------------

The change in net position reported for governmental activities
in the statement of activities is different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays (\$1,620,395.41) exceeded depreciation expense (\$503,141.26) for the current period.	1,117,254.15
---	--------------

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	41,220.98
--	-----------

Repayment of bond principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.	236,132.05
--	------------

Under the modified accrual basis of accounting used in the governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available financial resources. In the statement of activities, however, which is presented on the accrual basis, expenses and liabilities are reported regardless of when financial resources are available. In addition, interest on long-term debt is not recognized under the modified accrual basis of accounting until due, rather than as it accrues. This adjustment combines the net changes in two balances.

Compensated absences	\$ (17,517.64)	
Accrued interest on bonds	798.11	(16,719.53)

Pension expense for the prior year is not reported in the governmental funds but is reported in the statement of activities. Current year pension contributions are reported as an expense in the governmental funds but are not reported in the statement of activities	69,342.78
--	-----------

CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES	\$ 2,705,040.44
--	------------------------

NOTES TO FINANCIAL STATEMENTS
June 30, 2021

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1. INTRODUCTION

The accounting and reporting framework and the more significant accounting principles and practices of the City of Sparta, Tennessee (City), are disclosed in subsequent sections of this note. The remainder of the Notes is organized to provide explanations, including required disclosures, of the City's financial activities for the fiscal year ended June 30, 2021.

2. REPORTING ENTITY

The identification of a financial reporting entity is built around the concept of financial accountability. That is, if a primary government is financially accountable for another entity, that entity's financial statements must be included in the financial statements of the reporting entity. While financial accountability is central to the identification of component units, even if it does not exist, an entity will be considered a component unit if that entity's relationship with the primary government is such that its exclusion would create misleading or incomplete financial statements.

Based upon this concept, the City of Sparta has no component units.

3. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

Government-wide Financial Statements

The government-wide financial statements include the statement of net assets and the statement of activities. These statements report financial information for the City as a whole excluding fiduciary activities. The primary government and component units are presented separately within the financial statements with the focus on the primary government. Individual funds are not displayed but the statements distinguish governmental activities, generally supported by taxes and City general revenues, from business-type activities, generally financed in whole or in part with fees charged to external customers.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE A (Cont'd):

**3. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS
(Cont'd)**

The statement of activities reports the expenses of a given function offset by program revenues directly connected with the functional program. A function is an assembly of similar activities and may include portions of a fund or summarize more than one fund to capture the expenses and program revenues associated with a distinct functional activity. Program revenues include: (1) charges for services which report fees and other charges to users of the City's services; (2) operating grants and contributions which finance annual operating activities including restricted investment income; and (3) capital grants and contributions which fund the acquisition, construction, or rehabilitation of capital assets. These revenues are subject to externally imposed restrictions to these program users. Taxes and other revenue sources not properly included with program revenues are reported as general revenues.

Fund Financial Statements

Fund financial statements are provided for governmental, proprietary, and fiduciary funds. Major individual governmental and enterprise funds are reported in separate columns with composite columns for non-major funds.

**4. MEASUREMENT FOCUS, BASIS OF ACCOUNTING AND
FINANCIAL STATEMENT PRESENTATION**

The financial statements of the City are prepared in accordance with generally accepted accounting principles (GAAP).

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE A (Cont'd):

**4. MEASUREMENT FOCUS, BASIS OF ACCOUNTING AND
FINANCIAL STATEMENT PRESENTATION (Cont'd)**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting generally including the reclassification or elimination of internal activity (between or within funds). However, internal eliminations do not include utility services provided to City departments. Proprietary and fiduciary fund financial statements also report using this same focus and basis of accounting although internal activity is not eliminated on these statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property tax revenues are recognized in the year for which they are levied while grants are recognized when grantor eligibility requirements are met.

Governmental fund financial statements report using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The City considers revenues to be available if they are collected within 60 days of the end of the fiscal year. Expenditures are recorded when the related fund liability is incurred, except for general obligation bond principal and interest which are reported as expenditures in the year due.

Major revenue sources susceptible to accrual include: sales and use taxes, property taxes, franchise taxes (fees), intergovernmental revenues, and investment income. In general, other revenues are recognized when cash is received.

Operating income reported in proprietary fund financial statements includes revenues and expenses related to primary, continuing operations of the fund. Principal operating revenues for proprietary funds are charges to customers for sales or services which are billed monthly. Principal operating expenses are the costs of providing goods or services and include administrative expenses and depreciation of capital assets. Other revenues and expenses are classified as non-operating in the financial statements.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE A (Cont'd):

**4. MEASUREMENT FOCUS, BASIS OF ACCOUNTING AND
FINANCIAL STATEMENT PRESENTATION (Cont'd)**

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as needed. See Note D for information describing restricted assets.

5. FUND TYPES AND MAJOR FUNDS

The accounts of the City are organized in funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, or expenses, as appropriate.

GOVERNMENTAL FUNDS

The City reports the following major governmental funds:

General Fund – The general fund is the primary operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.

Debt Service Fund – The debt service fund is used to account for the accumulation of resources for, and the payment of, long-term debt principal, interest and related costs.

Capital Projects Fund - The capital project fund is used to account for the construction and acquisition of major capital facilities, primarily infrastructure assets such as streets and sidewalks.

The other governmental funds of the City are as follows:

Special Revenue Funds – The special revenue funds are used to account for the proceeds of specific revenue sources (other than expendable trusts, or major capital projects) that are legally restricted to expenditures for specified purposes.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE A (Cont'd):

5. FUND TYPES AND MAJOR FUNDS (Cont'd)

PROPRIETARY FUNDS

The City reports the following major enterprise funds:

Sparta Electric System – accounts for the operating activities of the City's electric utilities services.

Sparta Water and Sewer System – accounts for the operating activities of the City's water supply system and of its sewage treatment plant, pumping stations, and collection system.

6. FUND BALANCES

Non-spendable Fund Balance – Fund balances reported as non-spendable in the accompanying financial statements represent amounts for inventory, prepaid expenditures, encumbrances, advances to other funds and noncurrent notes receivables.

Restricted Fund Balance – Fund balances reported as restricted are the result of externally imposed restrictions placed upon current resources by state statutes, creditors, bond covenants, donors or grantors.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

Committed Fund Balance – Fund balances reported as committed are self-imposed restrictions placed upon certain resources by the Board of Mayor and Aldermen. Formal action, a resolution, must be taken prior to the end of the fiscal year. The same formal action must be taken to remove or change the limitations placed on the funds.

Assigned Fund Balance – Fund balances reported as assigned are intended for certain purposes as approved by Board of Mayor and Aldermen or management.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE A (Cont'd):

6. FUND BALANCES (cont'd)

Unassigned Fund Balance – In accordance with GAAP, the general fund is the only governmental fund that reports an unassigned fund balance. The unassigned fund balance has not been restricted, committed, or assigned to a specific purpose within the general fund.

When committed, assigned or unassigned fund balance amounts are available for use, it is the City's policy to use the committed fund balance first; the assigned fund balance second; and then the unassigned fund balance as they are needed.

7. CAPITAL ASSETS AND DEPRECIATION

The City's property, plant, equipment and infrastructure with useful lives of more than one year are stated at historical cost, or estimated cost if actual cost is not available, and comprehensively reported in the government-wide financial statements. Capital assets are depreciated over the estimated useful life of the asset using the straight-line method of depreciation. Cost consists of all direct costs related to the construction or acquisition of the assets. Donated capital assets are valued at their estimated fair value on the date donated.

Maintenance and repairs, which do not significantly extend the value or life of the property, plant, and equipment, are expensed as incurred.

Capital policy for the City is items purchased or betterment, not repairs, in excess of \$2,500.00 and having a useful life of one year or more will be capitalized.

General infrastructure assets acquired prior to July 1, 2004, are not reported in the basic financial statements.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE A (Cont'd):

7. CAPITAL ASSETS AND DEPRECIATION (Cont'd)

Capital assets are depreciated using the straight-line method over the following estimated lives:

	<u>Years</u>
Buildings	39
Improvements, other than buildings	20-39
Equipment	5-12
Streets and sidewalks	50

Depreciation of all exhaustible capital assets used by the proprietary fund is charged as an expense against operations. Accumulated depreciation is reported on the proprietary fund statements of net assets.

Depreciation has been provided over the estimated useful lives using the straight-line method. The estimated useful lives are as follows:

	<u>Years</u>
Buildings	15-40
Improvements, other than buildings	10-40
Equipment	3-10

8. BUDGETS AND BUDGETARY ACCOUNTING

Prior to July 1, the budget is legally enacted through passage of a resolution. Each fund's budget is prepared on the basis where current available funds must be sufficient to meet current expenditures. Expenditures may not legally exceed appropriations authorized by the resolution. The City Administrator is authorized to transfer line item amounts within any department; however, any revisions that alter the total expenditures to exceed the original budgeted amount must be approved by the Board of Mayor and Aldermen. All appropriations lapse at the end of each year.

The City's budgetary basis of accounting is consistent with generally accepted accounting principles.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE A (Cont'd):

9. CASH EQUIVALENTS

For purpose of the statement of cash flows, all highly liquid investments with a maturity with a maturity date of three months or less when purchased are considered to be cash equivalents.

10. INVENTORIES

Sparta Electric System inventories are valued at average cost accumulated in perpetual inventory records which are periodically adjusted to physical counts.

Sparta Water and Sewer System inventories are priced at cost based on the first-in, first-out method.

11. CREDIT RISK

The City of Sparta provides water, sewer, electrical power and governmental type services for residential, commercial and industrial customers and citizens in the City of Sparta, Tennessee.

12. COMPENSATED ABSENCES

The City allows employees to accumulate unused sick leave. An employee terminated from service is not paid accumulated sick leave; therefore, sick leave has not been accrued because the amount cannot be reasonably estimated. Earned vacation time can be accrued up to certain maximums based upon years of service. Compensated absences are reported as accrued in the government-wide and proprietary financial statements.

13. USES OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the balance sheet date and reported amounts of revenues and expenses during the reporting period. Estimates are used to determine depreciation expense, the allowance for doubtful accounts and certain claims and judgment liabilities, among other accounts. Accordingly, actual results could differ from those estimates.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE A (Cont'd):

14. CONTRIBUTIONS

Contributions are recognized in the Statement of Revenues, Expenditures, and Changes in Net Position when earned. Contributions include developer contributed utility systems and federal, state and local grants in support of system improvements.

15. NET POSITION

Net position contains the various net earnings from operating and non-operating revenues, expenses and contributions of capital. Net position is classified as net investment in capital assets; restricted for capital activity and debt service; and unrestricted position. Net investment in capital asset is all capital assets, net of accumulated depreciation and outstanding debt attributable to the acquisition, construction or improvement of the assets; debt related to unspent proceeds or other restricted cash and investments is not included in this determination.

Restricted for capital activity and debt service includes net position restricted by external parties such as lenders, grantors, contributors, laws, regulations, and enabling legislation, including self-imposed legal mandates. Unrestricted is the net position that do not meet the definition of net investment in capital assets or restricted for capital activity and debt service.

16. PROVISION FOR UNCOLLECTIBLE ACCOUNTS

Management has made an allowance for uncollectible accounts receivable. The allowance is based on prior years' experience.

17. NET POSITION FLOW ASSUMPTION

Sometimes the system will fund outlays for a particular purpose from both restricted and unrestricted resources. In order to calculate the amounts to report as restricted – net position and unrestricted – net position a flow assumption must be made about the order in which the resources are considered to be applied.

It is the government's policy to consider restricted – net position to have been depleted before unrestricted – net position is applied.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE A (Cont'd):

18. DEFERRED OUTFLOWS/INFLOWS OF RESOURCES

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (expense) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time.

For the year ended June 30, 2021, the City's governmental funds report unavailable revenue from property taxes. The amount is deferred and recognized as an inflow of resources in the period that the amount becomes available. The City also reports deferred outflows and deferred inflows from pensions.

19. PENSIONS

For the purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of Sparta's participation in the Public Employee Retirement Plan of the Tennessee Consolidated Retirement System (TCRS), and additions to/deductions from Sparta's fiduciary net position have been determined on the same basis as they are reported by the TCRS for the Public Employee Retirement Plan. For this purpose, benefits (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms of the Public Employee Retirement Plan of TCRS. Investments are reported at fair value.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE B - PROPERTY TAXES

Property taxes attach as an enforceable lien as of January 1. Taxes are levied on October 1, and are payable before March 1. The City bills and collects its own property taxes. City property tax revenues are recognized when levied to the extent that they result in current receivables.

NOTE C – BANK DEPOSITS

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The City's deposit policy for custodial risk is as follows:

All deposits with financial institutions must be secured by one of two methods. One method involves financial institutions that participate in the bank collateral pool administered by the state treasurer. Participating banks determine the aggregate balance of their public accounts for the State of Tennessee and its political subdivisions. The amount of collateral required to secure these public deposits must equal at least 105 percent of the average daily balance of public deposits held. Collateral securities required to be pledged by the participating banks to protect their public fund accounts are pledged to the state treasurer on behalf of the bank collateral pool.

The securities pledged to protect these accounts are pledged in the aggregate rather than against each account. The members of the pool may be required by agreement to pay an assessment to cover any deficiency. Under this additional assessment agreement, public fund accounts covered by the pool are considered to be insured for purposes of credit risk disclosure.

For deposits with financial institutions that do not participate in the bank collateral pool, state statutes require that all deposits be collateralized with collateral whose market value is equal to 105 percent of the uninsured amount of the deposits. The collateral must be placed by the depository bank in an escrow account in a second bank for the benefit of the City.

Investments are held in the State of Tennessee's Local Government Investment Pool ("LGIP") and are not subject to categorization. LGIP investments are reported at cost.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE C – (Cont'd):

Statutes authorize the City to invest in direct obligations of the United States Treasury, its agencies and instrumentalities; money market funds; and, the state treasurer's investment pool (Tennessee Local Government Investment Pool), prime commercial paper, bankers' acceptance notes and certificates of deposit. The state treasurer's investment pool (LGIP) is not registered with the Securities and Exchange Commission (SEC) but does operate in a manner consistent with the SEC's Rule 2a-7 of the Investment Company Act of 1940. Accordingly, the City's investments in the pool have been based on the pool's share price. The City's amounts included in the pool are reported at the fair value of its position in the pool, which approximates the value of the shares of amortized cost.

The bank balance at June 30, 2021 totaled \$5,314,577.17

The LGIP balance at June 30, 2021 totaled \$14,223,544.96

NOTE D – RESTRICTED ASSETS

Certain proprietary fund assets are restricted for construction funded through long-term debt and federal grant revenues. Net position restricted for debt service includes the excess of assets over certain liabilities restricted for the debt service on bonds. Governmental funds report restricted assets for cash deposited in bank accounts legally restricted for specified uses such as the payment of debt service on long-term debt.

NOTE F (Cont'd):

Debt service requirements to maturity:

A summary of the City of Sparta debt service requirements for principal and interest at June 30, 2021, is as follows:

<u>Year ending</u>				
<u>June 30</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>	
2022	\$ 242,719.13	\$ 11,523.72	\$ 254,242.85	
2023	74,915.12	4,911.20	79,826.32	
2024	41,962.83	2,352.17	44,315.00	
2025	5,722.32	851.68	6,574.00	
2026	5,994.13	579.87	6,574.00	
2027	6,071.98	413.17	6,485.15	
TOTAL	<u><u>\$ 377,385.51</u></u>	<u><u>\$ 20,631.81</u></u>	<u><u>\$ 398,017.32</u></u>	

The \$170,140.50 owed by the City of Sparta and the \$234,859.50 owed by Sparta Water and Sewer System is the balance remaining on the \$3.64 million General Obligation Refunding Bonds, Series 2012A. This money was borrowed on January 25, 2013 to refinance the 2006 and 2008 TML bond pool notes.

The \$98,000.00 is the balance of the \$876,000.00 General Obligation Note, Series 2012B, issued by Sparta Water and Sewer System for the purpose of refurbishing the water tanks.

On October 6, 2011, the City authorized the issuance of \$1,590,000 Water and Sewer Revenue and Tax Bond, Series 2011. The Bond is issued to finance the construction of sewer system improvements and bears interest at the rate of 2.625%. The unpaid balance as of June 30, 2021 was \$1,430,448.84.

During the year ended June 30, 2019, the City issued \$3,725,000 in Water and Sewer Revenue Bonds, Series 2017, for water plant improvements. The interest rate varies between 1.8% and 3.25%. The unpaid balance as of June 30, 2021 is \$3,385,000.00.

The \$67,800.00 is the balance of the \$218,413.00 Capital Outlay Note, Series 2016, issued by the City of Sparta for the purpose of purchasing a garbage truck.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE F (Cont'd):

The \$106,000.00 is the balance of the \$231,833.00 TML Bond Pool Note, 2017, issued by the City of Sparta for the purpose of purchasing a garbage truck. The first payment is to be made after year-end.

The \$33,445.01 is the balance of the \$95,000.00 General Obligation Bonds, Series 2001, issued by the City of Sparta for the Senior Citizens building.

There are a number of limitations and restrictions contained in the various bond indentures. The City is in compliance with all significant limitations and restrictions.

In the event of default on any of the above bonds or notes, the unpaid balances become immediately due and payable.

A schedule showing maturities and debt-service requirements of Sparta Water and Sewer System's outstanding bonds and interest bearing notes is included in the supplementary information section of this report.

Amounts required to amortize long-term debt outstanding as of June 30, 2021:

<u>Year ending</u> <u>June 30</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2022	\$ 536,947.23	\$ 140,172.76	\$ 677,119.99

NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

Note G – JOINT VENTURE

The Upper Cumberland Regional Airport was established as a joint venture between Putnam County, White County, the City of Cookeville and the City of Sparta. The Upper Cumberland Regional Airport operates the regional airport for the two county area. The seven-member board of the Airport is composed of one member appointed by each participating government; chief executive officer of one of the participating governments in each county on a two year rotating basis; and a representative from the pilot's committee who is selected by the pilot's committee, subject to the approval of the other members of the board. Each participant retains a 25% ownership in the Airport; however, they do not retain an equity interest in the Airport. During the year ended June 30, 2021, the City appropriated an operating subsidy of \$28,000 to the Airport. Complete financial statements for the Upper Cumberland Regional Airport can be obtained from the Upper Cumberland Regional Airport's administrative office at 750 Airport Road, Sparta, Tennessee 38583, or from the City Administrator's office at the Sparta City Hall.

Note H - JOINTLY GOVERNED ORGANIZATION

The City and the White County Board of Commissioners participate in The White County 911 Emergency Communications District, a component unit of White County, Tennessee (County). Any short fall between the District's budgeted revenues and operating expenses are subsidized by the City and County, 25% and 75%, respectively. The Board of Directors of the District is appointed by the City and County in the same proportion as each entity contributes to the funding of the District. During the year ended June 30, 2021, the City contributed \$64,954.00 to the operations of the District.

Note I – RELATED ORGANIZATION

Sparta Housing Authority – The Board of the Sparta Housing Authority is appointed by the Mayor and Board of Aldermen, but the City provides no funding and has no means to impose will upon the operations of the Authority.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE J - GENERAL INFORMATION ABOUT THE PENSION PLAN

Plan Description. Employees of Sparta are provided a defined benefit plan through the Public Employee Retirement Plan, an agent multi-employer pension plan administered by the TCRS. The TCRS was created by state statute under Tennessee Code Annotated Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS. The TCRS issues a publically available financial report that can be obtained at <https://treasury.tn.gov/Retirement/Boards-and-Governance/Reporting-and-Investment-Policies>.

Benefits provided. Tennessee Code Annotated Title 8, Chapters 34-37 establishes the benefit terms and can be amended only by the Tennessee General Assembly. The chief legislative body may adopt the benefit terms permitted by statute. Members are eligible to retire with an unreduced benefit at age 60 with 5 years of service credit or after 30 years of service credit regardless of age. Benefits are determined by a formula using the member's highest five consecutive year average compensation and the member's years of service credit. Reduced benefits for early retirement are available at age 55 and vested. Members vest with five years of service credit. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria.

Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3 percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE J - (Cont'd):

Employees covered by benefit terms. At the measurement date of June 30, 2020, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	57
Inactive employees entitled to but not yet receiving benefits	47
Active employees	79
Total employees	<u>183</u>

Contributions. Contributions for employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Employees contribute 5 percent of salary. Sparta makes employer contributions at a rate, in excess of the rate set by the Board of Trustees as determined by an actuarial valuation. For the year ended June 30, 2021, employer contributions for Sparta were \$522,845.31 based on a rate of 14.00 percent of covered payroll. By law, employer contributions are required to be paid. The TCRS may intercept Sparta's state shared taxes if required employer contributions are not remitted. The employer's actuarially determined contribution (ADC) and member contributions are expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Net Pension Liability

Sparta's net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate net pension liability was determined by an actuarial valuation as of that date.

Actuarial assumptions. The total pension liability as of June 30, 2020 actuarial valuation was determined using the following actuarial assumptions applied to all periods included in the measurement:

Inflation	2.5 percent
Salary increases	Graded salary ranges from 8.72 to 3.44 percent based on age, including inflation, averaging 4.00 percent
Investment rate of return	7.25 percent, net of pension plan investment expenses, including inflation
Cost-of-living adjustment	2.25 percent

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE J - (Cont'd):

Mortality rates were based on actual experience including an adjustment for some anticipated improvement.

The actuarial assumptions used in the June 30, 2020 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2012 through June 30, 2016. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2016 actuarial experience study. A blend of future capital market projections and historical market returns was used in a building block method in which a best-estimate of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) is developed for each major asset class. These best-estimates are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation of 2.5 percent. The best-estimates of geometric real rates of return and the TCRS investment policy target asset allocation for each major asset class are summarized in the following table:

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. equity	5.69%	31.00%
Developed market international equity	5.29%	14.00%
Emerging market international equity	6.36%	4.00%
Private equity and strategic lending	5.79%	20.00%
U.S. fixed income	2.01%	20.00%
Real estate	4.32%	10.00%
Short-term securities	0.00%	1.00%
		100.00%

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE J - (Cont'd):

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.25 percent based on a blending of the factors described above.

Discount rate. The discount rate used to measure the total pension liability was 7.25 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from Sparta will be made at the actuarially determined contribution rate pursuant to an actuarial valuation in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE J - (Cont'd):

Changes in the Net Pension Liability

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (Asset) (a) - (b)
Balance at 06/30/19	\$ 15,944,570	\$ 16,000,991	\$ (56,421)
Changes for the year:			
Service cost	\$ 302,893	\$ -	\$ 302,893

Contributions - employees	-	191,905	(191,905)
Net investment income	-	790,431	(790,431)
Benefit payments, including refunds of employee contributions	(852,397)	(852,397)	-
Administrative expense	-	(7,152)	7,152
Net changes	<u>1,449,846</u>	<u>660,120</u>	<u>789,726</u>
Balance at 06/30/20	<u><u>\$ 17,394,416</u></u>	<u><u>\$ 16,661,111</u></u>	<u><u>\$ 733,305</u></u>

Sensitivity of the net pension liability (asset) to changes in the discount rate.

The following presents the net pension liability (asset) of Sparta calculated using the discount rate of 7.25 percent, as well as what the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.25 percent) or 1-percentage-point higher (8.25 percent) than the current rate:

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE J - (Cont'd):

	1% Decrease (6.25%)	Current Discount Rate (7.25%)	1% Increase (8.25%)
Sparta's net pension liability (asset)	\$ 2,988,874	\$ 733,305	\$ (1,138,946)

**Pension Expense (Income) and Deferred Outflows of Resources and
Deferred Inflows of Resources Related to Pensions**

Pension expense. For the year ended June 30, 2021, Sparta recognized pension expense of \$401,720.

Deferred outflows of resources and deferred inflows of resources. For the year ended June 30, 2021, Sparta reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 829,536	\$ 168,337
Net difference between projected and actual earnings on pension plan investments	117,708	-
Changes in assumptions	162,262	-
Contributions subsequent to the measurement date of June 30, 2020	<u>522,845</u>	<u>(not applicable)</u>
Total	<u><u>\$ 1,632,351</u></u>	<u><u>\$ 168,337</u></u>

The amount shown above for "Contributions subsequent to the measurement date of June 30, 2020," will be recognized as a reduction (increase) to net pension liability (asset) in the following measurement period.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE J - (Cont'd):

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30:

2022	\$ 129,643
2023	251,242
2024	95
2025	236,134
2026	142,051
Thereafter	-

In the table shown above, positive amounts will increase pension expense while negative amounts will decrease pension expense.

Payable to the Pension Plan

At June 30, 2021, Sparta reported a payable of \$81,283.28 for the outstanding amount of contributions to the pension plan required at the year ended June 30, 2021.

NOTE K - MULTIPLE-EMPLOYER DEFINED CONTRIBUTIONS PLANS

Tennessee State Deferred Compensation Plan and Trust - 457(b) & 401(k)

Participation in this plan is optional and is 100% funded by participant's elective contributions. The City does not make employer contributions to this plan. Plan benefits are dependent solely on amounts contributed by participants plus investment earnings. Employees are eligible to participate on the first day of employment.

At June 30, 2021 there are 18 active participants in the 457(b) plan and 4 active participants in the 401(k) plan. During the year participant contributions amounted to \$55,106.

NOTE L - LITIGATION

There were no lawsuits pending in which the City is involved, which could result in any liability to the City.

CITY OF SPARTA, TENNESSEE
NOTES TO FINANCIAL STATEMENTS (CONT'D)
June 30, 2021

NOTE M- RISK FINANCING ACTIVITIES

The City's risks of loss relating to general liability, property and casualty and workers' compensation are covered by participation in a public entity risk pool. The City joined the Tennessee Municipal League Risk Management Pool, which is a public entity risk pool established by the Tennessee Municipal League, an association of member municipalities. The City pays an annual premium to the TML Pool for its insurance coverage. The creation of the TML Pool provides for it to be self-sustaining through member premiums.

The City continues to carry commercial insurance for surety bond coverage. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE N - SCHEDULE OF INTERFUND RECEIVABLES AND PAYABLES

Due from:

	Electric Fund	Water and Sewer Fund	General Fund	Solid Waste	Total
<u>Due to:</u>					
General fund	\$ -	\$ 2,485.58	\$ -	\$ 244,064.24	\$ 246,549.82
Electric Fund	-	-	26.26	-	26.26

CITY OF SPARTA, TENNESSEE

Notes to Schedule

Valuation date : Actuarially determined contribution rates for fiscal year 2021 were calculated based on the June 30, 2019 actuarial valuation.

Methods and assumptions used to determine contribution rates:

Actuarial cost method	Entry Age Normal
Amortization method	Level dollar, closed (not to exceed 20 years)
Remaining amortization period	Varies by year
Asset valuation	10-year smoothed within a 20 percent corridor to market value
Inflation	2.5 percent
Salary increases	Graded salary ranges from 8.72 to 3.44 percent based on age, including inflation, averaging 4.00
Investment rate of return	7.25 percent, net of investment expense, including inflation
Retirement age	Pattern of retirement determined by experience study
Mortality	Customized table based on actual experience including an adjustment for some anticipated improvement
Cost of living adjustments	2.25 percent

Changes of assumptions. In 2017, the following assumptions were changed: decreased inflation rate from 3.00 percent to 2.50 percent; decreased the investment rate of return from 7.50 percent to 7.25 percent; decreased the cost-of-living adjustment from 2.50 to 2.25 percent; decreased salary growth graded ranges from an average of 4.25 percent to an average of 4.00 percent; and modified mortality assumptions.

Water Audit Report for: **SPARTA WATER SYSTEM**

Reporting Year: **2021** **7/2020 - 6/2021**

Please enter data in the white cells below. Where available, metered values should be used; if metered values are unavailable please estimate a value. Indicate your confidence in the accuracy of the input data by grading each component (n/a or 1-10) using the drop-down list to the left of the input cell. Hover the mouse over the cell to obtain a description of the grades

All volumes to be entered as: MILLION GALLONS (US) PER YEAR

To select the correct data grading for each input, determine the highest grade where the

WATER SUPPLIED

<----- Enter grading in column 'E' and 'J' ----->

Volume from own sources:	+	?	9	883.867	MG/Yr
Water imported:	+	?		0.000	MG/Yr
Water exported:	+	?	9	430.436	MG/Yr

Master Meter and Supply Error Adjustments

Pcnt:	Value:				
+	?	9	1.00%		MG/Yr
+	?				MG/Yr
+	?				MG/Yr

Enter negative % or value for under-registration
Enter positive % or value for over-registration

WATER SUPPLIED: 444.680 MG/Yr

AUTHORIZED CONSUMPTION

Billed metered:	+	?	8	225.503	MG/Yr
Billed unmetered:	+	?		0.000	MG/Yr
Unbilled metered:	+	?	8	10.094	MG/Yr
Unbilled unmetered:	+	?		5.558	MG/Yr

Default option selected for Unbilled unmetered - a grading of 5 is applied but not displayed

AUTHORIZED CONSUMPTION: 241.155 MG/Yr

Click here: ?
for help using option
buttons below

Pcnt:	Value:	
1.25%		MG/Yr

Use buttons to select
percentage of water
supplied
OR
value

Pcnt:	Value:	
0.25%		MG/Yr

5.00%		MG/Yr
0.25%		MG/Yr

WATER LOSSES (Water Supplied - Authorized Consumption)

Apparent Losses

Unauthorized consumption: + ? 1.112 MG/Yr

Default option selected for unauthorized consumption - a grading of 5 is applied but not displayed

Customer metering inaccuracies:	+	?	8	12.400	MG/Yr
Systematic data handling errors:	+	?		0.564	MG/Yr

Default option selected for Systematic data handling errors - a grading of 5 is applied but not displayed

Apparent Losses: 14.075 MG/Yr

Real Losses (Current Annual Real Losses or CARL)

Real Losses = Water Losses - Apparent Losses: ? 189.449 MG/Yr

WATER LOSSES: 203.524 MG/Yr

NON-REVENUE WATER

NON-REVENUE WATER: 219.177 MG/Yr

= Water Losses + Unbilled Metered + Unbilled Unmetered

SYSTEM DATA

Length of mains:	+	?	7	109.0	miles
Number of <u>active AND inactive</u> service connections:	+	?	7	3,338	
Service connection density:	?			31	conn./mile main

Are customer meters typically located at the curbstop or property line? Yes

Average length of customer service line: + ? (length of service line, beyond the property boundary, that is the responsibility of the utility)

Average length of customer service line has been set to zero and a data grading score of 10 has been applied

Average operating pressure: + ? 7 50.0 psi

COST DATA

Total annual cost of operating water system:	+	?	10	\$1,749,709	\$/Year
Customer retail unit cost (applied to Apparent Losses):	+	?	8	\$2.67	\$/1000 gallons (US)
Variable production cost (applied to Real Losses):	+	?	7	\$1.98	\$/Million gallons

☐ Use Customer Retail Unit Cost to value real losses

WATER AUDIT DATA VALIDITY SCORE:

***** YOUR SCORE IS: 81 out of 100 *****

A weighted scale for the components of consumption and water loss is included in the calculation of the Water Audit Data Validity Score

PRIORITY AREAS FOR ATTENTION:

Based on the information provided, audit accuracy can be improved by addressing the following components:

1: Unauthorized consumption

2: Systematic data handling errors

3: Volume from own sources

AWWA Free Water Audit Software: System Attributes and Performance Indicators

Water Audit Report for: **SPARTA WATER SYSTEM**

Reporting Year: **2021** **7/2020 - 6/2021**

*** YOUR WATER AUDIT DATA VALIDITY SCORE IS: 81 out of 100 ***

System Attributes:

Apparent Losses:	14.075	MG/Yr
+ Real Losses:	189.449	MG/Yr
= Water Losses:	203.524	MG/Yr

? Unavoidable Annual Real Losses (UARL): **19.90** MG/Yr

Annual cost of Apparent Losses: **\$37,581**

Annual cost of Real Losses: **\$375**

Valued at **Variable Production Cost**

Return to Reporting Worksheet to change this assumption

Performance Indicators:

Financial:

Non-revenue water as percent by volume of Water Supplied: **49.3%**

Non-revenue water as percent by cost of operating system: **2.2%** Real Losses valued at Variable Production Cost

Operational Efficiency:

Apparent Losses per service connection per day: **11.55** gallons/connection/day

Real Losses per service connection per day: **N/A** gallons/connection/day

Real Losses per length of main per day*: **4,761.82** gallons/mile/day

Real Losses per service connection per day per psi pressure: **N/A** gallons/connection/day/psi

From Above, Real Losses = Current Annual Real Losses (CARL): **189.45** million gallons/year

? Infrastructure Leakage Index (ILI) [CARL/UARL]: **9.52**

* This performance indicator applies for systems with a low service connection density of less than 32 service connections/mile of pipeline

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS
Independent Auditor's Report**

Mayor and Board of Aldermen
City of Sparta, Tennessee
Sparta, Tennessee

I have audited, in accordance with the auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Sparta, Tennessee, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the City of Sparta's basic financial statements and have issued my report thereon dated February 14, 2022.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the City of Sparta's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the City of Sparta's internal control. Accordingly, I do not express an opinion on the effectiveness of the City of Sparta, Tennessee's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and, therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during my audit, I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of Sparta, Tennessee's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Certified Public Accountant

Sparta, Tennessee
February 14, 2022

CITY OF SPARTA, TENNESSEE
SCHEDULE OF FINDINGS AND RECOMMENDATIONS
June 30, 2021

A: SUMMARY OF AUDIT RESULTS

1. The auditor's report expresses an unmodified opinion on the financial statements of the City of Sparta, Tennessee.
2. No significant deficiencies were disclosed during the audit of the financial statements that are reported in the "Report on Compliance and Internal Control over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*."
3. No instances of noncompliance that are required to be reported under *Government Auditing Standards* were disclosed during the audit.
